THE SETTING

Built on the original site where Arthur Guinness created his brewing empire, the hotel offers old world charm, beautiful original stone work with contemporary design in a setting that is as picturesque as a pint settling.

From its humble beginnings back in 1756, the Court Yard Hotel has become a popular choice with a unique and intimate space for weddings and events since opening its doors in 2005.

A graceful renovation of historic buildings, the Court Yard Hotel is unique in character and design with beautiful exposed brick walls, large vast windows and vaulted beamed ceilings.

THE PERFECT WEDDING

“We were honestly amazed by the effort that was put in by the staff. Each and every staff member we crossed paths with was kind, accommodating and sincere. Not just on the wedding night, but the night before as well, we had guests come up and tell us how lovely the staff were to them without even knowing they were part of the wedding.

The venue itself is absolutely beautiful, very elegant and bright with gorgeous decor and lots of space. Perfect for a wedding! The food was second to none, we had so much positive feedback about the food, especially the main courses and desserts. From start to finish the Court Yard made not only ourselves, but all of our guests feel welcome. They were also very accommodating when it came to our 10-month-old daughter and the other children that attended the wedding. The bar food and outdoor dining area is gorgeous too and we will definitely be regulars in the near future!

For anyone looking at the Court Yard as a potential venue I can recommend it wholeheartedly.
Thank You to all the staff who made our day so perfect”
